***Weekly meeting/class***  
***Thursday 7:00-8:00 PM***

**The Arthur Schreiber Jewish Education Center**  
**1995 Section Rd., Cincinnati, OH 45237**

*Based on an AA meeting format; discussions focus on understanding and using Jewish spiritual tools to help strengthen our recovery.*

*The Jewish Recovery Center Fellowship is a group of Jewish men and women who join together to support each other in the pursuit of recovery from addiction and other related problems.*

*The only requirements for membership are: participation in a related Twelve-Step or other primary program and a desire to recover.*

*Our goal is to obtain and maintain recovery while integrating the spiritual Twelve-Step approach with a greater understanding and appreciation of our Judaism.*

*For those interested in such a pursuit, we invite you to join us.*
